RECEPTION VISIT THORNTON HALL FARM

Reception visited Thornton Hall Farm last Friday! They met the farmers and learned about some of the animals that live on the farm. They fed some goats, llamas, cows and lambs and were lucky enough to hold some of their smaller animals including the lions mane rabbits, guinea pigs and chicks! We enjoyed the caterpillar ride and played in the indoor soft play centre. We had the best time!

LITTLE ACORNS

This week in Little Acorns Nursery we were very excited to receive our caterpillars. We are going to watch them grow and turn into butterflies. After looking at the caterpillars we created caterpillar pictures using sponge dabbers.

YEAR 3

Dolphin Boy by Michael Morpurgo is our new class book in Year 3.

Its about a little boy called Jim who rescues and befriends a washed up dolphin. Jim names the dolphin 'Smiler'. Roald Dahl took on some acting skills and re told the story through a live performance. They did so well and had lots of fun! Well done everyone you were amazing!

WORLD CUP LUNCH

Sonia and her amazing kitchen team put up decorations around the food counter and dressed up to serve the children their special 'World Cup Lunch'. We are so lucky to have such amazing staff that always make every occasion feel special!

SHARING YOUR NEWS

Roman in Year 5 received the star of the session in taekwondo for always giving it 100% and even training with children in more advanced belt groups!

Well Done Roman!

Millie in Matisse class achieved her Level 4 learn to swim award last week! Millie really enjoys coming to school and telling us about her swimming lessons and we are so proud of her for achieving her swimming awards

Well Done Millie!

Aria in Lowry class received a medal in karate for her half term spinning back kicks competition, it was a unanimous decision by the clubs black belts

Well Done Aria

SHARING YOUR NEWS

Faris in Willow Class played in his last football session of the season and was awarded a trophy and a medal for his hard work and fantastic effort. He brought them into school this week to show his friends during Show and Tell.

Well Done Faris!

SHARING YOUR NEWS

Roy in Year 6 has been selected for team GB. He is one of only 5 boys in the country selected for the 65cc class, this is as close to being a professional at 11 as you can get!

Roy will be travelling to the Czech Republic in order to compete in the Junior Worlds Championship event. We appreciate schools support as none of this would have been possible without it!

Well done Roy!

WEEKLY BOOK REVIEW

What is your pet really thinking?

Mercury - Mars

I really enjoyed this book because it tells you what animals' actions mean and what the animal is trying to tell you. I found this interesting because my grandad has a dog so I know what he is trying to tell me by the movements he makes. It tells you about other animals too, like giraffes and monkeys. This is a fun book with lots of pictures to enjoy. I would recommend this book to children who like animals or want to learn more about their pet

YEAR 4 MULTIPLICATION TIMES TABLE CHECK

We want to say a huge 'well done' to all children in Year 4 who have completed the national Multiplication Tables Check over these last two weeks. Every single one of you tried your very best and should be proud of your achievements. We are so impressed with the effort the children have put in to learning all the times tables facts by heart.

AFTER SCHOOL CRICKET CLUB AT SWAIN HOUSE

We are delighted to share the success of our **after school cricket club** here at Swain House Primary School!

This term, we have been incredibly fortunate to work in partnership with the **Jason Robinson Foundation**, who have provided us with a fantastic coach to lead our sessions. The pupils have thoroughly enjoyed taking part in **fun, inclusive cricket activities**, designed to build skills, confidence and teamwork.

Each week, children have had the opportunity to develop their batting, bowling and fielding skills in a supportive and encouraging environment. The sessions have been full of energy, laughter and great sportsmanship, with every child given the chance to shine.

It has been wonderful to see so many pupils getting involved, supporting one another and growing in confidence as they learn new skills. Opportunities like this are invaluable in helping to promote healthy, active lifestyles and a love for sport.

A huge thank you to the **Jason Robinson Foundation** for their continued support—we look forward to seeing even more progress and enjoyment in the weeks ahead!

OUR CONVERSATION CARD OF THE WEEK

Enjoy a conversation!

Each week we will share a conversation card. These are designed to help you have meaningful and fun conversations with your child and aid discussions about mental health and happiness.

NATIONAL ONLINE SAFETY

What Parents & Educators Need to Know about Adrenaline Devices

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about ADRENALINE DEVICES

Adrenaline is for the immediate treatment of anaphylaxis, which is a serious allergic reaction. In doubt, use an adrenaline pen. Delaying treatment for anaphylaxis causes more harm than giving adrenaline when it's not needed. Adrenaline is a safe substance that is naturally produced in our bodies. Adrenaline devices are single use, and it's important always to carry two rather than just one.

WHEN TO USE

AIRWAY: Symptoms include swelling in the throat, tongue or upper airways; tightening of the throat; a hoarse voice; and difficulty swallowing.

BREATHING: Symptoms include persistent cough; sudden onset of wheezing; breathing difficulty; and noisy breathing.

CIRCULATION: Symptoms include pale and clammy skin; dizziness; feeling faint; sudden sleepiness; tiredness; confusion; and loss of consciousness.

How to use an EpiPen adrenaline auto-injector

1. Hold the AAI in your dominant hand and tuck your thumb out of the way.

2. Remove the blue safety cap and have the orange needle sheath pointing towards the patient's thigh.

3. Hold the AAI approximately 10cm away from their outer upper thigh.

4. Jab the EpiPen firmly into the outer thigh and press until it clicks.

5. Count to 3 and then release.

How to use an Jext adrenaline auto-injector

1. Hold the AAI in your dominant hand and tuck your thumb out of the way.

2. Remove the yellow safety cap and have the black needle sheath pointing towards the patient's thigh.

3. Place the black needle sheath on their outer upper thigh and press until it clicks.

4. Count to 10, then release and rub the injected area.

How to use EURNeffy nasal adrenaline

1. Hold the device with the first and middle fingers either side of the nozzle and the thumb on the plunger.

2. Insert the nozzle fully into one nostril until your fingers touch the outside of your nose.

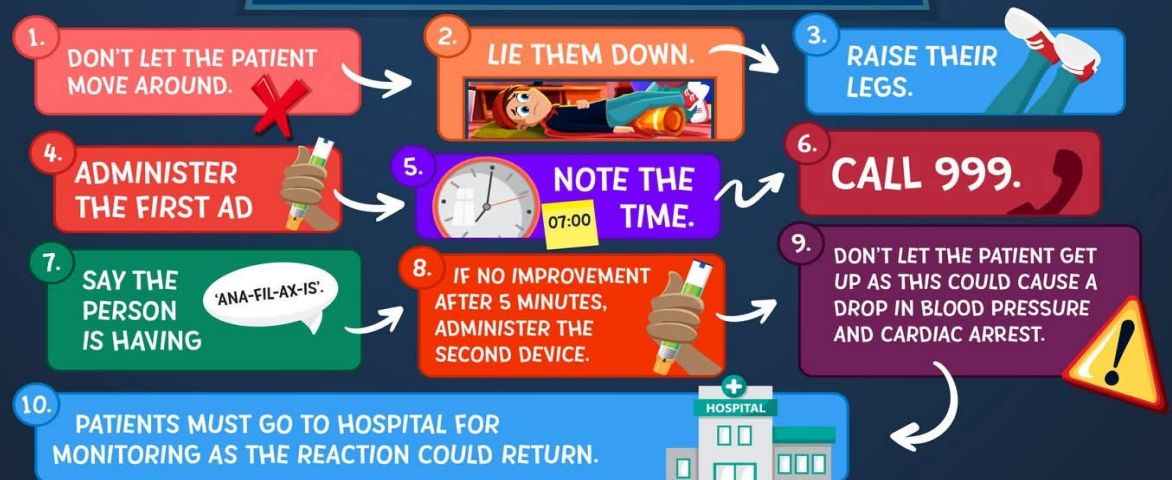

3. Press the plunger up firmly until it snaps and releases the medication.

4. DO NOT SNIFF: Try not to sniff after administering the spray.

ANAPHYLAXIS TREATMENT FLOW CHART:

Meet Our Expert

Anaphylaxis UK is the only UK-wide charity operating solely for the growing numbers of people at risk of serious allergic reactions and anaphylaxis. While there's no treatment or cure for anaphylaxis, we believe that by providing information, training and support, there's a brighter future for people living with serious allergies.
